

Accessing Online Banking

Until our technology integration is complete later in 2025, the Maine Community Bank website will use separate online banking logins for legacy GSB customers and MCB customers.

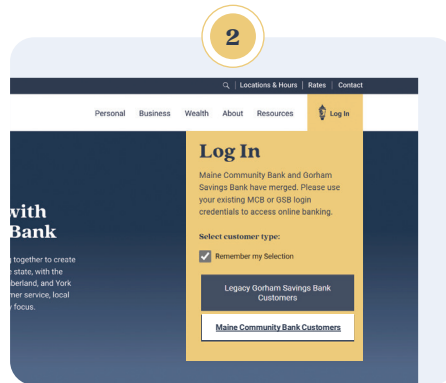

New online banking login:

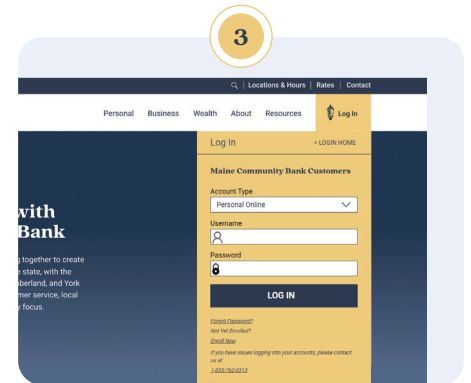

Click the lamppost login button.

On the new maine.bank home page, click the yellow lamppost login button at the top right of the screen.

Choose "Maine Community Bank Customers"

In the login drop-down, click the button "Maine Community Bank Customers."

Enter your existing info.

Enter your online banking credentials (username and password).

For the best experience, please use these locations for your banking needs.

While we look forward to serving you at any of our 21 branches throughout Androscoggin, Cumberland, and York counties, there may be limitations as to how we can help you until later in 2025.
