! Scarborough—Hannaford Drive Branch Refresh

Dear Customer,

We're writing to let you know that beginning Saturday, June 27, our Scarborough—Hannaford Drive branch will be temporarily closed for renovation throughout the summer. We expect to reopen this fall. We're committed to improving your branch experience to better serve you with lobby enhancements designed to improve service flow, additional private office spaces for one-on-one conversations, and more.

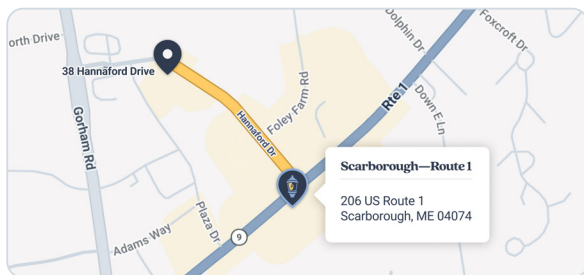

What to expect

While the branch is under renovation, our **Drive Up Video Teller at Hannaford Drive** will remain open. Simply tap the screen to connect to an MCB teller via a video link.

- **ATM (Hannaford Drive):** Available, 24/7
- **Drive Up Video Teller (Hannaford Drive):** Available
- **Night Drop (Hannaford Drive):** Unavailable, *please utilize nearby locations.*

Where to bank nearby

Our **Scarborough—Route 1 branch** is less than a mile away—where you will see familiar faces from Hannaford Drive until the renovation is complete. Our **South Portland, Gorham, or Westbrook** branches are good options, too. View hours and get directions to all MCB branches on our website at maine.bank.

BRANCH CLOSED BEGINNING

Saturday, June 27

BRANCH REOPENS

Fall 2026

Bank from anywhere, anytime

As always, you can bank 24/7 from your phone or computer with our **online banking** and **mobile app**. Check balances, deposit checks, transfer funds, pay bills, and more—anywhere, anytime.

Help is always available

If you have questions, please call us at **(207) 883-7440** or stop by a nearby branch. Thank you for your patience during this renovation and thank you for being part of the Maine Community Bank family.

We're all in on Scarborough and all in on Maine.

Sincerely,

Taylor McLaughlin
Branch Manager, Scarborough
